PRESIDENTS ADDRESS

The story of Ithaca College is the story of a basic applied philosophy that must, of necessity, be the guiding principle of any institution of higher learning that would make an important and lasting contribution to the well-being of mankind.

It is a philosophy predicated on progress and change, on service to humanity, and on keeping an even keel in a world undergoing what best might be described as an intellectual revolution. A revolution equal, at least in importance, to those turbulent times which saw the French monarchy topple of its own weight, and the founding of a great republic in these United States.

The past year has seen an era never equalled in the annals of History. The emergence of the African nations as independent sovereignties, the welcome participation in private education of state and federal governments, and the breathtaking scientific advances in space and medicine are but symbols of this magnificent era.

On a more personal basis the past year has seen, after many years of planning and hard work, the initiation of a major project on the part of the College. South Hill's natural denizens have never heard the like of the groan of bulldozers, the whine of cranes, and the rumble of heavily laden trucks as work proceeds on our new campus. Within the year, five dormitories and a magnificent new Student Union will have been completed and in use, and current plans call for the start shortly of at least one major academic building and possibly two.

The following year will see additional building and we are confident that the entire new 208 acre campus will have been completed and in use by the Fall of 1966. All this to the end that we may better serve the intellectual and physical needs of a growing student body.

Nor will recreational facilities be bypassed. Level areas await the construction of additional athletic fields, including a topnotch golf course. The wooded ridge which forms the campus backdrop properly calls for ski trails and bridle paths. The stable on the College farm on the north edge of the campus already anticipates its riding horses; the farm pond near by will soon be the scene of gala skating parties.

We are, and have been, proud of our small but dedicated Faculty, and of our enthusiastic student body. In the not too distant future, we may also take pride in one of the newest, most modern, and most beautiful college campuses in the nation.

We thank you, the graduating Class of 1961, for the interest, understanding, and encouragement you have given us in the past, and we eagerly solicit your support for the future. We know that our pride in you is based on mature judgment, of your accomplishments, and we would ask that you maintain your pride in Ithaca College as Alumni. We—the Faculty, the Administration, and the Board of Trustees—wish you well.

PHI DELTA PI

The Theta Chapter of Phi Delta Pi, a National Professional Physical Education Fraternity for Women, was founded at Ithaca College in 1922. Phi Delta Pi requires of its prospective initiates four prerequisites: sportsmanship, scholarship, character, and leadership. The professional fraternity emphasizes the value of chapter programs of a professional nature aimed to broaden and enlarge the educational advantages of the chapter members. Phi Delts annual national professional project was a tabulation of types of skill and fitness tests used in the physical education program in New York State; the chapter project consisted of helping the Reconstruction Home a few hours per week; Darla Maenpaa was sent as the Theta representative to the National Biannual Convention at Florida in the spring of 1960.

Social highlights of the year were: alumni weekend, the ever important and enjoyable rush parties, two teas in honor of our loyal patronesses, a buffet supper served by our patronesses, a Penny Carnival for the children of Ithaca, an annual raffle, a "wet" carwash, a sweatshirt-sweatpants' sale, a folk and square dance night for the students of the College, and in the spring in honor of our new members we had a weekend which consisted of a formal banquet, an informal party and an all-day picnic.

The officers for 1960-61 were as follows: Nancy Wilkins, President; Mary Ottaway, Vice President; Arlene Barlew, Recording Secretary; Melanie Dickson, Corresponding Secretary; Dorothy Cohen, Alumni Secretary; Betty Jane Ellis, Treasurer; Beverly Lynch, Historian and Sergeant-at-Arms; Gwendolyn Wedderburn, Chaplain; Irmgard Meyer, Editor. DELTA PHI ZETA $\Delta\Phi Z$

Voices ringing in song throughout the day . . . casual, spur-of-the-moment parties . . . pledges with pink carnations . . . formal meetings . . . having coffee with their Delta Kappa brothers . . . members rushing to games, rehearsals, and concerts . . . women participating in a variety of college activities . . . sisters living and working together in harmony: these are DELTA PHI ZETA girls!

DELTA PHI ZETA, Ithaca College's only social sorority, was founded on March 6, 1928, to promote a spirit of helpfulness, unity and friendliness among the women of Ithaca College. To maintain this objective, pledges to DELTA PHI ZETA are chosen for their character, leadership, sociability, and scholarship. The girls of 510 East Seneca Street have founded a tradition of sisterhood among girls from all departments.

This year's social calendar for DELTA PHI ZETA includes such activities as the following: acting as hostesses for various college functions, sponsoring an annual informal dance, managing the publicity for Fall Weekend, an annual Christmas banquet and tree-trimming party, caroling with their brother fraternity, Delta Kappa. teas for rushees and sorority patronesses, an annual Pledge Weekend held in the spring, publishing the sorority's semi-annual Alumnae Newsletter, and participating in the Greek Sing.

There are thirteen officers in DELTA PHI ZETA all instrumental in sustaining organization within the group. They are: Janie Bridenbaugh, President; Carol Stewart, Vice President; Alice Dubin, Recording Secretary; Maralyn Ford, Treasurer; Sue Rork, Corresponding Secretary; Pat Latte, Social Chairman; Margie Farrell, Sergeant-at-Arms; Barbara Greacen, Historian; Sara Mecomber, Chaplain; Donna Nevin, Inter-Fraternity Council Representative; Nan Adler, Alumnae Secretary; Sara Mecomber, House Chairman; and Marlene Jarvis, Hospitality Chairman.

115 Glen Place is a familiar address to all Ithaca College students, for it is the home of Delta Kappa. "The House," is the heart of DK, and all the plans, activities, and ideas originate here. The officers for this year are: William Coleman, President; Robert Navarro, Vice President; Bert Skogfeldt, Secretary; and William Holbrook, Treasurer.

This fall saw Glen Place alive with the preparations for and the publishing of, the I.C. Student Directory. DK men publish the Directory every year, and this year's issue, the 13th edition, was bigger and better than ever. The rest of the fall season was taken up with preparations for Fall Weekend, football games, house opening and other college events. The highlight of the fall season, this year, was the Fall Business Meeting of all Delta Kappa Nationals, to which DK was the host.

As the Christmas season approached, 115 Glen Place assumed a festive appearance. Preparations for the annual Christmas Ball began immediately following the Thanksgiving recess. The Christmas Ball, with the coffee hour at the house following, was the highlight of the Christmas social season.

Spring at last arrived bringing with it the warm weather and high spirits. The heavy maroon jackets were hung up, and soon Spring Weekend Mugs arrived. Each year, DK sponsors the sale of Spring Weekend Mugs, and joins with the other organizations at I.C. with a float in the weekend parade. At the close of the school year, Delta Kappa annually presents two awards. One award goes to the senior outstanding in scholastic achievement, the other award being presented to the senior outstanding in athletics as chosen by the Physical Education Department.

After the last exam is taken, and the last Delta Kappa Brother has left for the summer, 115 Glen Place is closed and locked. But one thing is certain, this multi-departmental fraternal organization will come alive again in the fall.

"OUR PRESIDENT"

Delta Sigma Pi is an international professional business fraternity and is one of the leading and most prominent fraternities in the professional field. Its purpose is to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; to further a higher standard of commercial ethics and culture; and the civic and commercial welfare of the community.

Since its founding in 1907, Delta Sigma Pi has grown to include in its membership over 106 active undergraduate chapters that include over 45,000 members, active and alumni. Many of these alumni hold top positions in business and education.

Delta Lambda Chapter of Delta Sigma Pi was founded here at Ithaca College on May 5, 1957. This chapter has become one of the most active organizations on campus, a goal which each and every member has helped to achieve. Another goal that all the brothers strive for is recognition, that comes with successful fulfillment of its duties and obligations as an active undergraduate chapter in international competition with other member chapters of Delta Sigma Pi.

Delta Lambda Chapter has matured quickly within the ranks of the international organization as evidenced by its placing first in the National Efficiency Contest of Delta Sigma Pi for the past two years. Recently Delta Lambda won another honor for attendance and participation at the East Central Regional Meeting held at Dayton, Ohio. Achievements such as these are indications of the professional and business attitudes of the members of this chapter. But also included in any fraternal organization is its social contribution. On the national competitive scene, Delta Lambda was honored by having its "Rose of Delta Sig" selected as the International Rose of Delta Sigma Pi, the highest honor in the social element of the international structure. Therefore Delta Lambda has in a few short years made a name for itself and for our college among the many chapters and members of Delta Sigma Pi.

The role Delta Lambda Chapter has played as a member of Ithaca College's fraternal and campus life can be described as active participation with interest toward increasing the school's position of offering organizational activity for the student body and the community as a whole. Delta Lambda's part in social activities include its annual "Rose" Dance, Spring Weekend floats and the United Fund Campaign it heads. A new feature was added this year when Delta Lambda joined with two other fraternal groups in sponsoring the first Ithaca College Parents Weekend. The success of these activities are rewarding to the work of the brothers and will inspire continued interest in such undertakings.

A major part of Delta Sig's contribution as a professional organization is its annual award of a "Scholarship Key" each year to the graduating senior in the School of Business Administration who achieves the highest accumulated average during his undergraduate studies at Ithaca College. A winner of this award may take great pride in his achievement for he will see his name entered on the Scholarship Key Scroll joining others of the highest scholastic standards in the School of Business.

Delta Lambda Chapter of Delta Sigma Pi will have completed four years of active life by the end of this school year. Its position at Ithaca College and as a member of the international professional business fraternity has been gratifying to its members and others. The goal which it has accepted will be achieved with pride in the work the brothers do—A pride that comes from being a brother and a student of Ithaca College.

PHI MU ALPHA ΦΜΑ

At the beginning of the fall semester Delta Chapter of Phi Mu Alpha, national music fraternity, celebrated its sixth decade on the Ithaca College campus. In addition to being one of the oldest organizations of the school, it is also one of the most active in musical functions. Each year Delta chapter entertains the incoming music freshmen at the annual Freshman Smoker, held at the chapter house. The Evening of American Music is an annual highlight on the school music calendar. A project which has brought Delta Chapter considerable pride has been its Guest Artist Series, which has featured such virtuosos as Charles Wendt and Sigurd Rascher. This year two new programs were conceived and put into operation. The Sunday afternoon lecture series presented members of the music faculty delivering dissertations which covered the spectrum of the music field, while the Tuesday and Thursday night theory clinics for freshmen and sophomores offered valuable aid in this area.

Any organization the size of Phi Mu Alpha, Sinfonia must have a body of officers who will work together toward the betterment of that organization, and who will insure that the aims of that organization are fulfilled. This year the governing body includes the following: Duane R. Klinko, President; Albert Hamme, Vice President; Philip Alloy, Secretary; James Garrett, Executive Alumni Secretary; F. Edward Ritchen, Warden-Chaplain; Richard Noll, House Manager; Carl Scheinman, Assistant House Manager; Henry Ketterer, Historian; David Honness, Pledge Master; Harold Roeder, Assistant Pledge Master; Ronald Patrick, Recital Chairman; Joseph Prevost, Social Chairman; Carl Wickstrom, Faculty Advisor; and last, but certainly not least, Mrs. Alice Sullivan, House Mother.

To the men of Phi Mu Alpha, music is more than just a sideline; it is their whole lives. This is reflected by the large number of Sinfonians in the musical organizations on campus, as well as in the educational and professional fields. In essence, the purpose of Phi Mu Alpha, Sinfonia can be summed up in these, its Four Aims: to advance the cause of music in America—to foster the mutual welfare and brotherhood of students of music—to develop the truest fraternal spirit among its members—to encourage loyalty to the Alma Mater.

RHO MU THETA

Rho Mu Theta celebrated its second anniversary on March 5, 1960. Organized just two years ago, to further mathematics and sciences at Ithaca College, it is still striving towards this cause. The brothers of Rho Mu Theta are math and science majors and the basic requirement for membership is that one takes a first year course in calculus.

Rho Mu Theta was designed as both a professional and social fraternity. The professional aspect of the fraternity is obtained by the nature of the brotherhood, and the activities of the organization such as tutoring and the hiring of speakers. The social aspect arrives during Fall and Spring Weekends and at our annual Anniversary Party.

The fraternity has also been active in school affairs. In the past year, we have been in charge of finances for Fall Weekend, and possibly our biggest event since organization, was the co-sponsoring of Parents Weekend.

Although we do not yet have the counterpart to a Rose of Delta Sig Dance, we hope that the day is not far off. Given the right time and place, Rho Mu Theta soon hopes to make a real dent into the social scene at I.C. Rho Mu Theta has come a long way in two short years and even greater strides are expected for the future. Under the leadership of this year's officers Bill Hiscock, President; Dave Wales, Vice President; Bill Putnam, Secretary; Bruce Yerry, Treasurer; and Walt Micha, Social Chairman, progress is being made.

PHI EPSILON KAPPA

Phi Epsilon Kappa is a national professional fraternity for male students of health, physical education and recreation. It was founded in 1913, and has collegiate chapters on campuses of forty-two colleges and universities. MU chapter here at Ithaca College was founded on April 17, 1926.

A professional fraternity is unique in that it provides all the advantages of fraternal affiliation, yet offers the usual benefits which accrue to a membership comprised exclusively of men who have chosen the same profession for their life work. The professional fraternity does more than serve its members during their undergraduate years. It provides lifelong association with men who engage in the same field of endeavor.

The objectives of Phi Epsilon Kappa are:

1. To improve scholarship and the general quality of work in the profession.
2. To promote and enhance the happiness of its members.
3. To insure lifelong association with those engaged in the field.
4. To assist its members to improve their cultural status, character, and personality.
5. To elevate the standards, ideals, and ethics of those engaged in the profession.

The year 1960-61 once more saw Phi Epsilon Kappa as one of the leaders in fraternal circles. The brothers form the nucleus of the department of physical education and its athletic representatives. Membership is based upon scholastic ability, character, and future promise.

Long active in school affairs, the fraternity sponsors such events as: intramural basketball and softball leagues; the Sweetheart's Ball; awarding trophies to the Most Valuable Players in the major sports. This past year has seen the brotherhood expand its activities to provide an opportunity for more participation by the student body. These new events are the volleyball tournament, and a co-ed badminton tournament.

The officers and brothers thank all of the student body for their support and attendance at all the fraternity-sponsored functions.

RHO TAU SIGMA

Zeta Chapter of Rho Tau Sigma was initiated at Ithaca College on April 13, 1957. It began with six charter members and has grown to about thirty active members. Rho Tau Sigma is a national honorary professional radio and television society and is open to juniors and seniors who have been outstanding in college radio and television.

The members of Rho Tau Sigma annually sponsor a Christmas party for the entire radio-TV department. A sixty hour broadcasting marathon during Spring Week-end is produced and directed by Rho Tau Sigma and includes remote broadcasts of the weekend events. Two initiation banquets are held in the fall and spring and a departmental picnic in May. During the year guided tours of the radio-TV studios are directed by the members.

Rho Tau Sigma members are also very active in presenting radio and television productions and are on the TV crews and radio staff of WICB AM-FM-TV.

The organization was formed for the primary purpose of honoring members of the radio-TV department who have achieved outstanding distinction in the extra-curricular field of radio-television broadcasting and in so doing to further the promotion of collegiate broadcasting at Ithaca College.

PI THETA PHI

Pi Theta Phi, Ithaca's professional physical therapy fraternity, was founded on December 3, 1946 in order to form a more perfect bond of fellowship, to advance the well being of the fraternity and to perpetuate its traditions and mainly to elevate the standards of the Physical Therapy profession and the advancement of the science of Physical Therapy.

In the fall, the fraternity sponsors a freshman picnic to help the new P.T. students become acclimated and meet the upperclassmen. This is followed during the winter by a Winter Carnival, which includes an ice skating party, a banquet, and a dance.

Last year the patients at the Cerebral Palsy clinic enjoyed an Easter party solely through the efforts of our members. We hope to make this an annual event. During the year, we obtain movies and speakers to give us more insight into the developments, both past and present, that are occurring in the field of Physical Therapy. Members of the whole department are invited to attend these lectures. In past years, we have also undertaken the job of selling flowers for Fall and Spring Weekends, and hope to continue doing so in the future.

Pi Theta Phi's largest and most important event of the year is the Institute Weekend, which takes place in the spring. Saturday of the weekend, the Institute brings to Ithaca College the latest developments in the profession of Physical Therapy, by inviting some of the leading specialists in the field to demonstrate procedures, techniques and modalities. This is followed by a banquet and dance Saturday night and a picnic, Sunday afternoon.

Pledging periods of the fraternity are set up on a professional basis during which time the pledges help improve the condition of the P.T. building, and do assignments, which will be beneficial to them in their later years. The formal initiation takes place at the Spring banquet.

This year's officers are as follows: Clem De Felice, President; Steve Rose, Vice President; Rosalie Wiener, Corresponding Secretary; Pat Driscoll, Recording Secretary; and Virginia De Mino, Treasurer.

THETA ALPHA PHI

Theta Alpha Phi, Beta Chapter, is the drama fraternity here at Ithaca College. This year's officers are as follows: Craig Mac Nab, President; Roger Ahrens, Vice President; Barbara Greacen, Secretary; and Bryn Matthews, Treasurer. The fraternity is established nationally and is found at most colleges and universities, where theatre flourishes. The members devote themselves to furthering the advancement of university theatre in all of its practical aspects: acting, directing, scenic design and execution, writing, and theatrical management.

During the first week of school, Theta Alpha Phi launches into its yearly programming with a Welcome Freshman Party, the purpose being to acquaint the Freshman with the fraternity and the faculty of the Speech and Drama departments on an informal basis.

Theta Alpha Phi is composed of upperclassmen from many departments. Initiation is offered to all, on a point-accumulation basis for outstanding contributive work on major productions, one-act plays, and seminar pieces.

The One-Act Play Program, held shortly before Christmas, is an integral part of the fraternity's activity, being completely student directed, acted, designed, and managed. The annual After-Scampers-Party, held on closing night of Scampers, is another anticipated event.

The Spring Semester brings the Play-Writing Contest. Cash prizes are awarded to the three outstanding entries on the evening of "Salute to Seniors," the short variety show presented during Senior Week as Theta Alpha Phi's tribute to the graduating class.

The headquarters of one of Ithaca College's most up-and-coming groups of eager young men can be found at 132 E. Court St. This is the home of Iota Chapter, Kappa Gamma Psi. As a National Music Fraternity, the objects of Kappa Gamma Psi include the stimulation of earnest study, the encouragement of superior attainment and the furthering of the interest and appreciation of the fine arts, particularly the art of music. Iota Chapter embodies these ideals in attempting to provide for its members, greater experience and understanding in the field of music. For those non-members, who seek an outlet for musical capabilities or a means of achieving greater satisfaction from music, Iota Chapter offers opportunities for realizing these ambitions in providing an invitation for membership. Kappa's musical offering is not limited to members and eligible non-members. Rather, the aims of Iota Chapter provide for sharing musical experiences with all who may be interested. In the past, these aims have taken the form of public guest appearances of noted musicians, some of them members of Kappa Gamma Psi, as well as recitals, lectures and concerts for the purpose of not only providing enjoyment, but for aiding the striving young musician in a realization of his own inherent abilities and goals. Although the emphasis is primarily on self-improvement, the members of Iota Chapter find ample opportunity for availing themselves of the companionship and light-heartedness of social gatherings. At such times good cheer is the rule, and a hearty, refreshing atmosphere prevails. The officers who encourage this atmosphere are as follows: Anthony A. Lapinsky, President; John Parrette, Vice President; Dexter Churchill, Treasurer; Louis Margaglione, Recording Secretary; and John H. Mead, Corresponding Secretary.

A cordial invitation is extended to all to "drop in" at 132 E. Court St. and to witness the determination, the brotherhood and hospitality prevalent among the members of Kappa Gamma Psi.

Intercollegiate debate teams have traveled both far and near to participate in debate tournaments and have debated with such high-powered teams as Harvard, Wichita University, Holy Cross, and the University of Buffalo. Other activities of the association include a weekly radio show, public speaking contests, intercollegiate legislative assemblies, oral reading programs, and weekly meetings. The radio show, "Publicly Speaking," has a flexible format permitting debate or discussion of current issues and oral interpretation of prose and poetry. Ithaca College students have engaged in after dinner speech contests and extemporaneous speech contests at various debate tournaments.

This year, the association will send several delegates to the New York State Intercollegiate Legislative Assembly in Albany. Bills passed by this body are sent to the governor of the state to be considered for passage as laws of New York State.

At the weekly meeting of the association, members had the opportunity to participate in discussion of current issues and hear outside speakers. The Ithaca College Forensic Association is a growing organization looking forward to another year of greater growth and service to the students of Ithaca College.

Delta Sigma Pi is an international professional business fraternity and is one of the leading and most prominent fraternities in the professional field. Its purpose is to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce; to further a higher standard of commercial ethics and culture; and the civic and commercial welfare of the community.

Since its founding in 1907, Delta Sigma Pi has grown to include in its membership over 106 active undergraduate chapters that include over 45,000 members, active and alumni. Many of these alumni hold top positions in business and education.

Delta Lambda Chapter of Delta Sigma Pi was founded here at Ithaca College on May 5, 1957. This chapter has become one of the most active organizations on campus, a goal which each and every member has helped to achieve. Another goal that all the brothers strive for is recognition, that comes with successful fulfillment of its duties and obligations as an active undergraduate chapter in international competition with other member chapters of Delta Sigma Pi.

Delta Lambda Chapter has matured quickly within the ranks of the international organization as evidenced by its placing first in the National Efficiency Contest of Delta Sigma Pi for the past two years. Recently Delta Lambda won another honor for attendance and participation at the East Central Regional Meeting held at Dayton, Ohio. Achievements such as these are indications of the professional and business attitudes of the members of this chapter. But also included in any fraternal organization is its social contribution. RHO TAU SIGMA

Zeta Chapter of Rho Tau Sigma was initiated at Ithaca College on April 13, 1957. It began with six charter members and has grown to about thirty active members. Rho Tau Sigma is a national honorary professional radio and television society and is open to juniors and seniors who have been outstanding in college radio and television.

The members of Rho Tau Sigma annually sponsor a Christmas party for the entire radio-TV department. A sixty hour broadcasting marathon during Spring Week-end is produced and directed by Rho Tau Sigma and includes remote broadcasts of the weekend events. Two initiation banquets are held in the fall and spring and a departmental picnic in May. During the year guided tours of the radio-TV studios are directed by the members.

Rho Tau Sigma members are also very active in presenting radio and television productions and are on the TV crews and radio staff of WICB AM-FM-TV.

The organization was formed for the primary purpose of honoring members of the radio-TV department who have achieved outstanding distinction in the extra-curricular field of radio-television broadcasting and in so doing to further the promotion of collegiate broadcasting at Ithaca College.

PI THETA PHI

Pi Theta Phi, Ithaca's professional physical therapy fraternity, was founded on December 3, 1946 in order to form a more perfect bond of fellowship, to advance the well being of the fraternity and to perpetuate its traditions and mainly to elevate the standards of the Physical Therapy profession and the advancement of the science of Physical Therapy.

In the fall, the fraternity sponsors a freshman picnic to help the new P.T. students become acclimated and meet the upperclassmen. This is followed during the winter by a Winter Carnival, which includes an ice skating party, a banquet, and a dance.

Last year the patients at the Cerebral Palsy clinic enjoyed an Easter party solely through the efforts of our members. We hope to make this an annual event. During the year, we obtain movies and speakers to give us more insight into the developments, both past and present, that are occurring in the field of Physical Therapy. Members of the whole department are invited to attend these lectures. In past years, we have also undertaken the job of selling flowers for Fall and Spring Weekends, and hope to continue doing so in the future.

Pi Theta Phi's largest and most important event of the year is the Institute Weekend, which takes place in the spring. Saturday of the weekend, the Institute brings to Ithaca College the latest developments in the profession of Physical Therapy, by inviting some of the leading specialists in the field to demonstrate procedures, techniques and modalities. This is followed by a banquet and dance Saturday night and a picnic, Sunday afternoon.

Pledging periods of the fraternity are set up on a professional basis during which time the pledges help improve the condition of the P.T. building, and do assignments, which will be beneficial to them in their later years. The formal initiation takes place at the Spring banquet.

This year's officers are as follows: Clem De Felice, President; Steve Rose, Vice President; Rosalie Wiener, Corresponding Secretary; Pat Driscoll, Recording Secretary; and Virginia De Mino, Treasurer.

THETA ALPHA PHI

Theta Alpha Phi, Beta Chapter, is the drama fraternity here at Ithaca College. This year's officers are as follows: Craig Mac Nab, President; Roger Ahrens, Vice President; Barbara Greacen, Secretary; and Bryn Matthews, Treasurer. The fraternity is established nationally and is found at most colleges and universities, where theatre flourishes. The members devote themselves to furthering the advancement of university theatre in all of its practical aspects: acting, directing, scenic design and execution, writing, and theatrical management.

During the first week of school, Theta Alpha Phi launches into its yearly programming with a Welcome Freshman Party, the purpose being to acquaint the Freshman with the fraternity and the faculty of the Speech and Drama departments on an informal basis.

Theta Alpha Phi is composed of upperclassmen from many departments. Initiation is offered to all, on a point-accumulation basis for outstanding contributive work on major productions, one-act plays, and seminar pieces.

The One-Act Play Program, held shortly before Christmas, is an integral part of the fraternity's activity, being completely student directed, acted, designed, and managed. The annual After-Scampers-Party, held on closing night of Scampers, is another anticipated event.

The Spring Semester brings the Play-Writing Contest. Cash prizes are awarded to the three outstanding entries on the evening of "Salute to Seniors," the short variety show presented during Senior Week as Theta Alpha Phi's tribute to the graduating class.

The headquarters of one of Ithaca College's most up-and-coming groups of eager young men can be found at 132 E. Court St. This is the home of Iota Chapter, Kappa Gamma Psi. As a National Music Fraternity, the objects of Kappa Gamma Psi include the stimulation of earnest study, the encouragement of superior attainment and the furthering of the interest and appreciation of the fine arts, particularly the art of music. Iota Chapter embodies these ideals in attempting to provide for its members, greater experience and understanding in the field of music. For those non-members, who seek an outlet for musical capabilities or a means of achieving greater satisfaction from music, Iota Chapter offers opportunities for realizing these ambitions in providing an invitation for membership. Kappa's musical offering is not limited to members and eligible non-members. Rather, the aims of Iota Chapter provide for sharing musical experiences with all who may be interested. In the past, these aims have taken the form of public guest appearances of noted musicians, some of them members of Kappa Gamma Psi, as well as recitals, lectures and concerts for the purpose of not only providing enjoyment, but for aiding the striving young musician in a realization of his own inherent abilities and goals. Although the emphasis is primarily on self-improvement, the members of Iota Chapter find ample opportunity for availing themselves of the companionship and light-heartedness of social gatherings. At such times good cheer is the rule, and a hearty, refreshing atmosphere prevails. The officers who encourage this atmosphere are as follows: Anthony A. Lapinsky, President; John Parrette, Vice President; Dexter Churchill, Treasurer; Louis Margaglione, Recording Secretary; and John H. Mead, Corresponding Secretary.

A cordial invitation is extended to all to "drop in" at 132 E. Court St. and to witness the determination, the brotherhood and hospitality prevalent among the members of Kappa Gamma Psi.

In its first full year of activity, the Ithaca College Forensic Association has provided the opportunity for Ithaca College students to participate in public speaking in a wide range of media.

Intercollegiate debate teams have traveled both far and near to participate in debate tournaments and have debated with such high-powered teams as Harvard, Wichita University, Holy Cross, and the University of Buffalo. Other activities of the association include a weekly radio show, public speaking contests, intercollegiate legislative assemblies, oral reading programs, and weekly meetings. The radio show, "Publicly Speaking," has a flexible format permitting debate or discussion of current issues and oral interpretation of prose and poetry. Ithaca College students have engaged in after dinner speech contests and extemporaneous speech contests at various debate tournaments.

This year, the association will send several delegates to the New York State Intercollegiate Legislative Assembly in Albany. Bills passed by this body are sent to the governor of the state to be considered for passage as laws of New York State.

At the weekly meeting of the association, members had the opportunity to participate in discussion of current issues and hear outside speakers. The Ithaca College Forensic Association is a growing organization looking forward to another year of greater growth and service to the students of Ithaca College.

Inter-Fraternity Council

The officers of IFC are as follows: Anthony A. Schimizzi, President; Michael Verno, Vice President; Lois Ebbert, Secretary; Bruce Yerry, Treasurer; Dean Helen H. Hood, Advisor.

Each fraternal organization is represented in IFC and serves as the governing body for the fraternal organizations of Ithaca College. IFC representatives strive to fulfill the purpose and objectives of the Inter-Fraternity Council and encourage the idea of unity. The prime objective is to promote a closer affiliation among the fraternal organizations. IFC is responsible for the freshmen receiving information pertaining to the conduct of fraternal groups. As an incentive for group scholastic achievement among the member organizations, IFC presents a cup each year, at the college moving-up day, to the Fraternity or Sorority with the highest index. As an outside project, the IFC sponsors the Ithaca College Blood Donation Drive.

SPORTS

Varsity Baseball

In winning 11 straight games and losing but one during the season, the I.C. varsity baseball team constructed the best percentage record since 1954 when it was 10-0.

The 1960 Bomber aggregation also posted a sparkling .317 batting average, the best in all but three years in the last 11.

The 1959 team, runnerup for the District 2 NCAA championship, won 15 straight games and lost two, and had a team batting average of .351. The previous year the team batted .321.

In 1955, another year in which the Ithacans were runnerup for the NCAA District 2 title, they batted .333.

Probably the most significant of the victories this year was over Army, undefeated leader of the Ivy League. A scheduled game with Colgate last week was rained out.

The Bombers had five starters who slugged better than .300, and another who hit .294. Capt. Brian Mee of Johnstown, catcher, hit .474; Jim Russin of Whippany, N. J., pitcher and outfielder, .413; Walter (Skip) Lyne, Bound Brook, N. J., shortstop, .364; Alfred (Hurry) Cain, Mt. Vernon, third sacker, .349; Dick Bovio of Bellmore, rightfielder, .333; and Ron Lebedz, Manville, N. J., second baseman, .294.

A 6 foot, 4 inch, 205 pound right-handed sophomore, Jim Russin, pitched Ithaca to six victories without a defeat. He allowed but 0.92 earned runs. Sophomore John Thomas of Hamburg, who pitched sparingly in four games and had a 1-0 record, allowed but 0.93 runs.

Ithaca will lose but two regulars from its lineup, Mee and Cain, via the graduation route. Another loss will be Don Churchill of Little Falls, pitcher, who had a 1-1 standing, and an earned run average of 3.99. Chuck Brady of Seneca Falls, a sophomore moundsman, posted a 3-0 record.

Varsity Football

The 1960 Bombers featured several new faces led by Captain Jack Cashman. The addition of Westchester and Southern Connecticut to the schedule presented this season's squad its sternest challenge in years.

After extending Westchester and Southern Connecticut to the hilt, defeating Brockport and losing a heart-breaker to C. W. Post, the "rookies" found themselves and the team began to jell. Finishing with consecutive wins over Kings, and the archrivals, Cortland and Alfred, the Bombers closed with a respectable 4-3 season.

Captain Jack Cashman and Jim Rafferty were mentioned for Little All-American. Rafferty was also elected honorary co-captain and most valuable player and climaxed his career by playing in the Gem Bowl All Star game. Ron Serapilio was named first team fullback on the E.C.I.C. (North) team of the year. Larry Karas and Nick Gordon were named most improved back and lineman of the year, respectively. Charles Brady and Vin Carbonaro were elected Co-Captains for 1961.

Notable performances of the year include Gary Hill figuring in the scoring in every game, Chuck Brady's 48 completions in 90 attempts for 600 yards and 6 TD's, Jim Rafferty's two safeties in the Kings game. Bill Odell's 56 yard run and Gary Hill's pass to Bob Valesente for the two TD's in the Cortland game.

This team will be remembered as the team that brought the "Cortican" back to Ithaca after 10 years.

The I.C. Frosh completed their second consecutive 3-2 season under Coach Vince Messina. The season began successfully with a 34-0 win over perennial rival Cortland. The following week, the Frosh tasted defeat at the hand of Hobart, 6-0. In what was probably the best game of the season, the Little Bombers lost to Manlius Military Academy by the score of 14-7. The team then ended the season in grand style by beating the Alfred Frosh 27 to 13, and the St. Lawrence Frosh 12 to 8.

The St. Lawrence game was highlighted by an eighty yard runback of a punt for a T.D. by John Cornick. This occurred with a little less than two minutes remaining in the game.

W.A.A. was organized for the benefit of all of the women of Ithaca College, to offer an opportunity for participation together in various sports activities. The main purposes of W.A.A. are: To encourage inter-departmental friendship and understanding by bringing together students from all areas of specialization for participation in activities of mutual interest and appeal; to provide all women students at Ithaca College with the opportunity to participate in recreational sports; individual, dual, and team; to promote good sportsmanship; to organize and conduct the sports program in accordance with the Division for Girls' and Women's Sports.

These purposes are met in several ways. W.A.A. offers various sports activities throughout the year including field hockey, tennis, volleyball, basketball, bowling, recreational activities, table tennis, badminton, and softball. These activities are carried on in an intramural level. Each sport is handled by a sports manager who plans a tournament and supervises her own activity. In extramural activities, W.A.A. plays hostess and is invited to several colleges and universities in the surrounding area for a number of different sports days during the year. The purpose of these sports days, besides competition between colleges, is extending friendships by meeting other women on the college level. W.A.A. sponsors dances, sales, demonstration clinics, and co-sponsors a high school playday for several high schools in Ithaca. In the fall of the year a "Get-Acquainted" party is held. To top off our calendar of events, a banquet is planned for the members, at which time awards for the winning teams of the various tournaments are distributed. As a final farewell get-together, a picnic is scheduled at Stewart Park.

A great deal of credit for the success of W.A.A. belongs to our advisor, Miss Kelsey, who is always there with encouragement and helpful suggestions.

As Ithaca College grows, so grows W.A.A. — not only in numbers but in success. Every year new ideas are initiated and we hope this will continue in the future.

The officers of W.A.A. are: Carol E. Pratt, President; Nancy M. Wilkins, Vice President; Mary E. Ottaway, Secretary; Nancy L. Hicks, Treasurer; Arlene H. Berlew, Program Manager; Teresa M. Bolha, Publicity Manager; Marie D'Onofrio, Freshman Representative; and Miss Martha Kelsey, Advisor.

"THE PAST IS PROLOGUE"

According to Mr. Webster, to "progress" is to "advance to an objective." On these and the preceding pages of the 1961 CAYUGAN, the theme suggests beneficial advancement in the truest sense of Mr. Webster's definition. From the Ithaca Conservatory of Music to Ithaca College with its three major components; from a second-floor loft on State Street early in the century to a new 15 million dollar campus on South Hill by 1966; from the pioneering foresight of W. Grant Egbert to the perceptive and dynamic leadership of Dr. Howard I. Dillingham, the trend has truly always been "advancement toward an objective" . . . an objective to better Ithaca College and higher education in general. Next Fall there will be six buildings completed and in use on South Hill. **A** To strengthen the already existing esprit de corps, a magnificent Student Union will be the center of the campus. **B** Throughout last Winter, workmen were transporting materials to the South Hill site. **C** By February, the Student Union structure was well underway.

The five dormitories, each able to house 120 students, are also a symbol of progress. **D** By early March, beams were being hoisted in place and now the buildings are in their final phases of construction. **E** The dormitory rooms will be decorated in contemporary fashion, designed to provide as much comfort, light, and space as possible. **F** Each dormitory will have at least one large lounge to provide space for study groups and relaxation.
